due to more commanders who join the game with each passing day, resulting in increased competition. This game is highly based on the idea of paying to win, which does not necessarily mean that free-to-plays (F2P) players should be hopeless. Increase of kingdoms "List of commandandro levels" outlines the best commanders for different game attributes. If you know all the legendary commanders and exactly how to pair them, you should be good to go. In addition, coupling it with Harold later, Alexander the Great has an exceptional capacity of the exceptional shield, which is part of the very few commanders in Rok who possess incredible capabilities of acting defense. The cities of Rallying Rallying Cities tells you which commanders are best when it comes to attacking cities enemies. We suggest taking it out at 5-5-1-1. I would recommend getting the best of the absolute game trusted with our suggestions. Alexander the great other great commander who you should consider the maximum Alexander the great. This commander is extremely useful in all types of situations, from open fields for rallies, barbarian chains, events and garrison. It was simply not worth it. F2P players certainly have an impact on the battlefield as pay-to-play (P2P) players, if not more. We suggest all their options to increase your chances to win the game. YSG One of the most functional commanders increasing the reigns YSG. Votes were released by testing all commanders against Top Tier defenders. There's that makes him stand out among the other commanders his high DPS. Therefore, any increase in the player of the kingdoms should maximize their YSG and consider it their first choice of legendary commander. Well, the answer is quite simple. Following are some of the best and legendary commanders of Rok that can take you really far into the game. Another great option for this would be a couple of Takeda and e Attila and Takeda are two commanders who are must-have for rallies. The quantity of money that you are about to invest in order to go out at the top of all players of the game is remarkable. To invest a remarkable amount of money is the key to becoming one of the best players and stay at the top like The game continues to become incredibly fierce and intense. Both groups of players are crucial and equally influence the game. You, the question you ask is: How can the battlefield greatly influence? Legendary commanders Epic level list commander Low list Best commanders in the rise of kingdoms Currently, the best ascent commanders of the kingdoms are Xiang, Nevsky, Nebu, YSG, Yi-Sun-Sin, Alexander and Guan Yu. In the game Alexander the great, get the best commanders can be quite expensive. It is playable at 5-5-1-1, then take it out into the field then it's a good option. Now, you can use Ramses with YSG and Alessandro Magno with Yi Seong Gye. Keeping in mind all this, it should be your best choice if you want to win against commanders like Mehmed II, William and Zhang Yu are the two best options to be coupled with Saladin later. Open Field Open Field offers information on commander performance during Open Field battles. The best cavalry commander Saladin is one of the very few commanders who have ability to decrease 30% of damages together with the reduction of the counterattack. Read it carefully and then, invest your money wisely. Defend the cities to defend the cities identify the commanders, Aticapac, Aticapac emissam eus el etnuigar atlov anu ehc A oiradnegel etnadnamoc nu II sesmaR edner ehc Aic. olleivil otla iditadnamoc i ortnoc Attic artsov al erednefid rep iroilgim i onos It turns out to be the best person to counter Richard I. Keep in mind that every commander is good at something. Through this guide, you have an idea of all legendary commanders in Rise of Kingdoms PC and know where to invest. Whether it is "Conquistaa" or "Open Field", an extraordinary in both types of games. Besides having the healing factor of the troops, Guan Yu is very good at beating a large number of enemies thanks to its robust capacity to damage AOE. Depending on your objective and the current situation of the game, you would like to invest in a better commander in ROK that has the greatest return on your time investment. However, he's not that good when it comes to fighting on the ground. This assessment was calculated using total of the damage inflicted on the cities, while a city higher level defending the commanders were placed on the walls of the city. A one of the most powerful and legendary commanders in the game. But be careful, because this improvement will accompany you throughout the game. A Pair Artemisia with a secondary commander like Tomyrisis is a good option at this point. However, bringing them into the open field is something we wouldn't suggest. Although some of the classifications are highly questionable, keep in mind that the main purpose of the list was to give you an overview of the key attributes and values of each commander. It is determined by survival, damage and overall contribution when participating in major battles. Rise of Kingdoms Commander Tier List Grade Tier System and Grade Tier S+A A Very overwhelmed Tier SA A Overpowered Tier AA A Balanced Tier BA A Slightly underpowered Tier CA A Underpowered Tier FA A The Worst Rise of Kingdoms Commander Tier List Explained Overall assessment In a nutshell, the overall assessment will be nothing more than a combination of evaluations. Its power of arc I enormous during both damage and AOE. Have exceptional abilities exceptional PVE and PVP. YSG is an incredibly talented and versatile commander. This depends a lot on your expense level. Choosing Zenobia as the garnight head should be your best option if you really want to take this direction. Rally targets for Rally Rally Objectives Evaluation highlights the overall capacity of a specific commander when it comes to gathering flags, strong and ark of Osiris's goals. This rating is very important for A free to play players, because reports commanders you should invest your sculptures to get the maximum value. Be extremely conscious and make sure you are sure before investing, as it can really transform the entire match upside down. Don't forget to redeem the codes. Guan Yu yet another commander who is extremely powerful and has a command for some incredible skills is Guan Yu. It is a commander of infantry, and you can unlock it based on your kingdom. However, the ability to conquer him should be left to I. The reason for reason is that it is not necessary in the open field. Large commanders to follow is a list of some of the most skilled and powerful commanders, suitable for all types of situations, Guan Yusufaladin e William e Ramesses e aethelhaedzhang Yu e Nebuchadnezzanartemistias e Harold e Alexander The great conclusion. ROK is undoubtedly One of the best known and very engaging games all over the world. I would strongly recommend you to avoid being gathered. It was measured and calculated against the superior level rally commanders. However, his talents tend to border his abilities due to him to be a commander of infantry. Recommendations can easily put his hands on Ramesses II with the help of the wheel of fortune, as it is a new commander in the game. The best commanders of Garrison: having a heavy wallet is extremely crucial If become a rally or garrison leader, as that position requires some specific pieces of equipment. Especially if you are a free to play type of player The list you are about to see I was designed exclusively on the final results, most of which I was tested by players playing on very high-end accounts. Rise Of Kingdoms Tier List Match it with Charles or Alexander should be your best bet. Alexander would also make an outstanding pair with YSG in the early stage as all infantry would really work in their favor. A Ramesses II has excelled forwards and de-buff defenses, which are made extremely useful for flags and rally buildings. However, due to the lack of official data, I would lie if I said that this list does not include a slight subjective bias on my part. With a skill set so diverse, Guan Yu is difficult to defeat. Defend the objectives The evaluation Defend the objectives will give you an idea the best commanders for the defense of flags, fortresses and targets of Ark of Osiris. If you happen to have no luck, safest option would be to make the most of Guan. A great improvement at this point, apart from your Guan, would be to have Leonida as infantry commander. Another decent investment would be to appoint Wu Zetian as leader, but make sure to use Saladin and Artemisia as primary commanders with him. A During the early stages of Rise of Kingdoms, Saladin, Artemisia and Wu Zetian are the best bets for a good leader Garrison. A Best Rally Commanders Leonidas serrA as the best possible option for a second commander with Guan if you are willing to take the road of the Rally. Also, you can save 310 sculptures per commander if you keep William and Saladin at 5-5-1-1.
